(70 O.S. 24-120)

It is necessary that **all** students help maintain the appearance of our school. Any destruction or vandalism of any school property will merit disciplinary action.

Students may only check out of school with the personal permission of their parent or guardian. Permission must be given in person or on the phone before the student may be approved to leave school.

**CHILD FIND** - Public Notice - The Oklahoma State Department of Education (OSDE), Special Education Services (SES) would like to make parents aware of child find opportunities available to them. The Individuals with Disabilities Education Act (IDEA) states, *"All children with disabilities who are homeless children or are wards of the State, and children with disabilities attending private schools, regardless of the severity of their disability, and who are in need of special education and related services, are identified, located and evaluated."* In Oklahoma we require that child find apply to all children suspected of having a disability and are in need of special education and related service. The OSDE-SES wants to make parents more aware of this essential, free of charge, throughout the State of Oklahoma.

Parents who desire additional information should contact, Doug Taylor, Superintendent of Gage School, (580)923-7909.

The college day visitation must be pre-approved by the principal to be excused. A student who visits a post-high school institution without receiving prior permission from the principal will receive an excused absence. A student must demonstrate a bona fide interest in the institution to visit the institution.

**Academic Eligibility** - The student must be passing all courses in which the student is enrolled following the week of academic probation or the student will be academically ineligible to participate in any authorized school activity. A student regains academic eligibility on the **Monday** following the week in which the student receives a passing grade in all courses.

Teachers must turn in eligibility forms by 9:00 a.m. on Thursday of each school week beginning on the fourth week of each semester. Any work to be included in the computation of a student's grade must be turned in to the teacher no later than 3:30 p.m. on Wednesday of the school week in which students are scheduled to attend class. Any work turned in after that time will not be counted for eligibility for the following week. No exceptions will be allowed regarding this policy.

If a student does not have all grades given in your class because of an excused absence, DO NOT average a "0" in the place of that grade if the time allowed for turning in the work has not elapsed. (As a general rule, a student is allowed one make-up day for each excused absence from class. However, if a student is going to be out of class for a school activity, he/she is responsible for making arrangements to take care of all classroom assignments before the school-related absence).

In each class, each week, an effort should be made to allow students the opportunity to score approximately the same number of points as were available the preceding week. (It is not fair for a student to have a failing average for several weeks based on one major grade and no opportunity to improve because assignments and/or tests of equal importance is not given).

Student averages are not a secret. Before turning in a student as ineligible, he/she should be told that he/she is failing in your class and told his/her average. The student should have the opportunity to average his/her grades if he/she believes that a mistake has been made. If a mistake was made, teachers will have the courtesy and humility to correct it.

**Probation** - A student must receive a cumulative passing semester grade in all courses at the end of the fourth week of each semester, and each week thereafter, or the student will be placed on Academic Probation for the following week. If a student cannot be immunized for medical reasons, the student or parent must present a certificate signed by a U.S. licensed physician that states that, in the doctor's opinion, the immunization required would be harmful to the health and well-being of the student or any member of the student's family or household. This certificate must be renewed yearly unless the physician specifies a lifelong contraindication.

If the student's religious beliefs conflict with the requirement that the student be immunized, the student must present a statement signed by the student (or by the parent if the student is a minor) that states that immunization conflicts with the beliefs and practices of a recognized church or religious denomination of which the student is an adherent or member.

**INSURANCE** - Student health and accident insurance is available through the school at the student's expense. Student insurance application forms may be obtained during enrollment or at any time from the principal's office.

**LEAVING SCHOOL GROUNDS** – All students leaving the school grounds must receive administrative approval. In case of illness parents will be contacted before a student can be released.

Students will be provided the opportunity to promote to the next grade level based on demonstration of proficiency in the areas of social studies, language arts, math, science and the arts. A student must demonstrate proficiency with a score of 90% or greater. Parents and students should request an application at least 10 days prior to assessment.

**PROMOTION and RETENTION of ELEMENTARY STUDENTS** - It is the intention of this policy that students will be placed at the most appropriate grade level. This determination is to be based upon documental evidence as to the student's ability, level of academic achievement, social and emotional characteristics. Students will normally spend one year in each grade. It is believed that the utilization of immediate and thoughtful corrective actions will benefit and remediate most deficiencies in achievement. However, there may be students, who for reasons consistent with their ability or due to excessive absences, would benefit by repeating a grade. Factors to be considered for repeating an elementary grade are: (1) academic achievement; (2) chronological age; (3) social maturity; (4) physical development; (5) work & study habits; (6) attendance record.

**SCHEDULE CHANGES** - (High School) No schedule changes are permitted without express consent of the principal & teachers involved.

The Child Internet Protection Act (CIPA) requires all public schools to have filtering agents in place that restrict access to questionable sites. Gage Schools has no means to restrict cell phones that access internet sites therefore, it is imperative that we control cellular phone usage.
